Growing Healthy Angelenos: Health Education Implications for Adolescent Health

Purpose of Task Force Meetings:

1. To provide a health education forum for county wide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators' professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

Desired Outcomes of this Task Force Meeting:

1. Learn about how obesity and eating disorders are affecting adolescents.
2. Learn about teen pregnancy and gang prevention and intervention programs.
3. Learn about the HVP Vaccine and the potential for miscommunication.
